### ADDITIONAL FEATURES

1. Duct Cleaning to be completed by Vendor prior to closing (heat runs only).
2. Rough-in 3 piece washroom in basement.

\*\* NOTE: Purchaser acknowledges being advised that hardwood flooring may shrink and expand as a result of changes in temperature and humidity in the house and accepts this as a natural characteristic of the flooring, and is advised to keep humidity level constant to reduce this tendency. In an effort to continuously improve its product, the Vendor reserves the right to alter floor plans, exteriors, specifications and prices without notice. All renderings, floor plans and maps in brochures and sales displays are artists' conceptions and are not necessarily to scale and the dimensions are approximate and may vary due to continuous improvements by the Vendor. The Purchaser acknowledges that the water heating system (which may be a tank or tankless system) will be installed on a lease or lease to own basis by a supplier designated by the Vendor, and the Purchaser shall assume such contract on the Closing Date without the need for further documentation unless requested by the supplier. The ceiling height is measured from the top of the unfinished subfloor to the underside of the unfinished ceiling above before finishes and excluding bulkheads and drop ceilings as per plan. All finishes herein are selected by the Vendor from its standard samples. In the event of multiple standard samples for any item herein, The Vendor's determination of same is final.
